Languages: English, Chinese	Location: Singapore

Education

Diploma in Information Technology	Apr 2023 - Apr 2026
Nanyang Polytechnic	Singapore
GCE 'O' Levels	Jan 2019 - Dec 2022
Holy Innocents' High School (HIHS)	Singapore

Skills

Artificial Intelligence	PyTorch, TensorFlow, Langchain, HuggingFace
Web Development	HTML / CSS, SASS, Tailwind, Bootstrap, NodeJS, ReactJS, JavaScript, TypeScript, C#
Others:	Python, Kotlin, Go, Rust, Docker, Docker Compose, PowerShell, Bash, Redis, KeyDB, Git, MySQL, MS SQL, SQLite

Work Experience

EUC Systems Intern	Fujitsu	Mar 2025 - June 2025
- Assisted end users with troubleshooting general software issues, and wrote Python scripts to automate email notifications. - Imaging, setting up and wiping data for 80+ Windows 11 laptops. Tagged and accounted for over 120+ assets.		

Relevant Coursework

Automo	School Project	Jan 2026 - Feb 2026
- Implemented SARIMA time-series forecasting with Docker Compose in decoupled service architecture. - Added KeyDB for in-memory caching and Goatcounter for observability and analytics. - Interactive dashboard and Executive Summary with configurable system prompt with various export options.		
NYP-FYP CNC Chatbot	Final Year Project	Jun 2025 - Aug 2025
- Improved codebase performance, reducing startup time from 30 seconds to under 10 seconds. - Added quality of life features such as search, rate limits, audio preprocessing, containerisation with Docker.		

External Projects

flexcyon	Personal Project	Sep 2024 - Present
- An Obsidian.md theme with terminal inspired aesthetics. Over 3000 downloads and 300+ customisation options. - Documentation in both English and Chinese. Use of SCSS for codebase modularity, with SemVer and linting.		
pdf-fmt	Personal Project	Oct 2025 - Present
- A lightweight, self-contained utility that extracts images, structured Markdown tables and text from PDF documents. - Comprehensive configuration suite with regex exclusions, output formatting and image deduplication.		

Co-curriculars

NDP 2024 Motivators		May 2024 - Aug 2024
Hwa Chong Mindsports Championships		Apr 2024
Project Mid-Autumn Festival	Student Organiser	July 2023 - Sep 2023
HIHS Chinese Weiqi Club	Exco Member	Feb 2021 - Feb 2022

Awards and Honors

Edusave Award for Achievement, Good Leadership and Service (EAGLES)	
Ministry of Education (MOE)	2021

Certifications

Generative AI in Action	
IBM SkillsBuild	2026
Certificate of Participation for Beyond Borders with DDAS Hong Kong Edition	
Digital Defence Alliance Singapore (DDAS)	2025
Google Data Analytics	
Coursera	2025
Google IT Automation with Python	
Coursera	2024
